Please provide Responses to the following:

Introduction: Take a few paragraphs to introduce yourself. What are your interests? How do you like to spend your time? Let us know what kind of cool person we will get to sail with next summer.

In addition please provide an answer of at least one paragraph per question to the following.

1. Life onboard a sailing ship can present many challenges and requires full participation to provide a positive community experience. Describe an asset you would bring to life onboard Orion. How has this asset helped you to meet challenges and provide a positive community experience in your life?
2. A major portion of the Deep Green Wilderness program is working on individual science or arts projects. State a research question or art project you are curious to explore during your time onboard. Why does your topic interest you? You will be able to choose a different question for your project.
3. Detail your reasons for wanting to join the crew this summer. What skills, life experiences or educational goals are you hoping to achieve through the program?
4. Describe a time that you went above and beyond what was asked or expected of you to accomplish a task or achieve a goal.
5. Describe how participation in the Deep Green Wilderness program will contribute to any immediate or long range academic and career plans.
6. What do you foresee being the biggest challenge for you in spending up to 3 weeks in close quarters aboard a sailboat studying whales?

Tuition is due sixty days before the start of the program, or at the time of enrollment if it is within sixty days.

Tuition Costs

The Orca Project	\$1,450
Wild Whales	\$1,950

Students interested in qualifying for financial aid should also complete the Student Scholarship Application available on our website.

Once enrolled students will receive a packing list, medical form and liability waiver to fill out and sign as well as some background literature to read before joining the boat.

Cancellation Policy

We are sure you will have the experience of a lifetime on our program but if it is necessary to cancel you will receive a full refund of tuition if you cancel 30 days or more before the start of the program. If you cancel within thirty days of the start of the program you will receive an 80% refund of tuition.
